Manufacturing Engineer

OnLume Surgical is creating the future of medical imaging devices for image-guided surgery. We are seeking a highly motivated, creative, and experienced manufacturing engineer to join our team.

Position Summary:

This position is responsible for manufacturing engineering activities at OnLume Surgical.

Responsibilities and Duties Include:

- Work with contract manufacturers to plan workflows, design/employ effective protocols in process testing, establish equipment maintenance and calibration schedules, and manage analogous manufacturing activities.
- Establish and monitor supplier capability. Identify and implement corrective actions to eliminate supplier performance shortcomings.
- Evaluate OnLume Surgical designs for manufacturability. Identify design improvements that reduce costs, increase quality, and enhance serviceability.
- Manage the transfer of design outputs across our supply chain.
- Function as a manufacturing engineering subject matter expert on OnLume Surgical product development teams.
- Adhere to OnLume Surgical policies and procedures.

Competency Requirements Include:

- 5+ years of experience as a manufacturing engineer in a medical electrical equipment or optical instrumentation industry.
- Demonstrated proficiency in managing manufacturing engineering aspects of an organization's supply chain.
- Experience developing manufacturing processes that comply with applicable regulations and corporate policies and practices.
- Demonstrated success at clear communication, problem-solving, and interpersonal skills with both internal and external stakeholders.
- Educational requirements: Bachelor's degree in mechanical, industrial, or electrical engineering. Advanced degree is a plus.

Other Employment Details:

Benefits:

- Benefits include medical, dental, vision, life, short-term disability insurance, PTO, and holiday pay

Job Type:

- Full-time

Location:

- OnLume home office in Madison Wisconsin. Travel as necessary to fulfill responsibilities and duties.
- COVID-19 considerations: Remote work is temporarily optional due to COVID-19.
